Hello, I'm _____ from G-S-S-R, a public opinion research company. We're conducting a study about health issues affecting Latino renters in California and their families. All responses will be kept confidential and we are not trying to sell you anything. Following our research procedure, may I speak to the adult in the home age 18 or older who had the most recent birthday over the past year? **(IF RESPONDENT SAYS NO OR NOT NOW, ASK TO MAKE AN APPOINTMENT FOR LATER).**

A. To begin, is the home or apartment in which you currently live a rental, or do you or does someone in your household own it?

12. Now I have a few questions about smoking inside the apartments in your building. If you had a choice in your apartment building, which of the following would you prefer? One: if smoking was not allowed in any of the apartments in your building? Two: if smoking was allowed in all the apartments in your building? Or Three: if there were separate areas for smoking and non-smoking apartments, like they have in hotels?

13. Next, some people have proposed a law requiring all apartment buildings in your community to offer non-smoking sections, so all the apartments, patios, and balconies in that section would be smoke-free. This would be similar to the way that hotels offer non-smoking floors. Does this sound like something you would favor or oppose? **(IF FAVOR/OPPOSE ASK):** "Is that strongly (favor/oppose) or somewhat?"
